#### W. C. T. U.

A very interesting meeting of the Bloomfield  
W. C. T. U. was held in the chapel of the  
M. E. Church, March 1st, 1887.

There was a large number of the mem-  
bers present, in company with Mrs. S. J.  
Gibbons, State President and Mrs. Myra  
Denny, President of the Montclair Union.

After the usual opening exercises Mrs.  
Denny was introduced, who gave very wise  
counsel in regard to the different modes  
and branches of the work, which she illus-  
trated by describing the work done in  
other unions in the State; and expressed  
herself well pleased with the effort and  
faithfulness of the few in Bloomfield.

In her remarks she said that South Jer-  
sey was in a bad way but in the North the  
brewery influence was so much greater,  
that the work (though as faithfully done)  
had a different showing, nothing of a dis-  
couraging character, but everything to  
encourage the holding "the fort," and suc-  
cess was sure.

The Superintendents of the different de-  
partments were appointed as follows:  
Supt. of Prison Work, Mrs. Ernest Pier-  
son; Supt. of Sunday School work, Miss  
Bancroft; Supt. of Cottage Meetings in  
Evangelistic work, Miss Salina Wheeler;  
Supt. of Social Purity, Mrs. R. N. Dodd.

The instructions of the State President  
infused new life in the work, and a stronger  
desire to be up and doing while "the day  
lasts for the night cometh, wherein no man  
can work."

but holders of course tickets are entitled to it without extra charge.

Holders of course tickets will have the privilege of naming a dish to be prepared, provided it can be made during a lesson. If too elaborate to be completed at one lesson, Miss Corson will explain it so clearly that it can be prepared from her recipe. Any questions as to these dishes may be written and forwarded to care of Mrs. W. B. Williams, No. 6 Park place.

The course lessons will be given on March 17th and every Thursday following at 10 A. M., at Association Hall, Clinton street, near Broad. Tickets may be had in Bloomfield of Mrs. Amzi Dodd, Broad street.

### Local Politics.

The interest in the town election this year is intense. There are plenty of candidates for the offices of Assessor, Overseer of the Poor, Town Clerk, Freeholders, and Town Committeemen. Thomas E. Hayes is a candidate for Assessor, against Samuel H. Baxter, the present incumbent. Wm. Cadmus has his annual fight on hand to maintain his position as Freeholder. His opponent this year is M. A. Dailey. Walter S. Freeman is a candidate for Town Committee against Wm. A. Baldwin in the upper district. Willard Richards has been asked to run in the lower district and will not doubt have a "walk over." Edward F. Farrand, Howard B. Davis and S. M. Hulin are each in the field for Town Clerk. Mr. Farrand is the present incumbent, and hopes to be re-elected. Mr. Davis is the favorite of the Essex Truck boys, and Mr. Hulin is said to claim the office as an "ex-soldier" and on "general principles." Mr. Walker the present Overseer of the Poor, is opposed by the veteran soldiers, who think one of their number, Cornelius L. Voorhees, ought to be put in. As THE CITIZEN went to press (Friday evening) it promised to be a lively fight for the nominations in the Republican Primary at Dodd's Hall.

### Annual Town Meeting.

About seventy-five citizens and tax-payers of the township met in Dodd's Hall, Monday evening, at the annual township meeting, held to receive the annual report of the Township Committee and to fix upon the appropriations for the ensuing year. Mr. Geo. W. Cook was chosen Chairman and Edward F. Farrand, Secretary. The report related in pamphlet form had been generally distributed. It was received and accepted without objection. The appropriations recommended by the Town Committee were adopted without change excepting that the appropriation for gravel and road repairs was increased from \$3,000 to \$4,000. Attempts were made to increase the fire appropriation over the amount recommended, but it failed, as also did attempts to increase and decrease the appropriations for sidewalks. Upon Mr. F. H. Pile's motion an appropriation of \$200 was unanimously made for the purchase of a suitable burial plot for veteran soldiers. The meeting was more than ordinarily quiet, their being no discussion of township affairs.

### To the Bloomfield Citizens:

Will you kindly allow me through your columns, to call the attention of your readers to an advertisement in your issue of this week—that of Mrs. John Bennett of New York—who is about to open a dress-making establishment in Bloomfield? While our resident dressmakers are all that could be desired in point of skill and style, it is a physical impossibility for them to meet the demands of our rapidly growing community.

In fact one of them recently stated that her overflow of work would keep another busy. Under these circumstances, I would bespeak for Mrs. Bennett the kind interest of those in her own profession, as well as the patronage of such ladies as are seeking a competent *modiste*. She comes fortified with several years of New York experience, and also with excellent credentials.

### BLOOMFIELD BRIEF LOCALS.

—Dr. Edward Stubbart conducted the meeting at Soho school-house last Sunday night.

—For a Choice Brand of Flour, also Butter, Fine Western Hams, Eggs, (way down) canned goods of every variety, go to A. BAKER, at the Centre.

—There will be a meeting of the Women's Auxiliary of the Y. M. C. A., in the rooms of the Association, Monday afternoon, March 7th, at three o'clock.

—Last Friday morning the students of the Seminary surprised D. Seibert at his residence in Glen Ridge by an early serenade in honor of their teachers birthday.

—A new amateur orchestra has been formed for the Berkeley district. Its meetings are held, until further notice, at

the residence of Mr. Willy Myers, Newark avenue.

—Rev. Mr. Enalin, pastor of the German Church has been prostrated with illness. Rev. Dr. Hauser, house-father of the Seminary, supplied the pulpit of said church last Sunday morning and evening.

—Parties desiring to have upholstering done, mattresses made, carpets made over and laid, etc., will find it to their advantage to address John Poecker, Montclair, N. J. He will guarantee first class work. For reference, inquire of Mrs. Wm. P. Lyon, Bloomfield.

—The church sociable of the Park M. E. Church was held last Monday evening at their lecture room. There was good music and speech-making, which was thoroughly enjoyed by all. Mr. Cloe of the Seminary assisted the home talent very acceptably in their vocal efforts.

—Some malicious person took advantage of the absence from home of Frederick Fullman between Tuesday and Wednesday, and broke a number of large lights of glass in his house on Spruce street. Some valuable plants were also destroyed. Mr. Fullman offers a reward.

### Glen Ridge.

—Mr. T. M. Nevius moved into his new house on Ridgewood avenue, on Saturday last.

—The houses of Messrs. Belloni and Earl are nearing completion and the owners hope to occupy them in the Spring.

—It is reported that the Gallagher homestead is for rent as a boarding house this year. If it be true a more delightful spot could not be chosen and it would undoubtedly be filled with boarders.

—Mr. Darwin has begun another house on Hillside avenue which will make the ninth house that he has built or begun within a year. It is reported that his four new houses on Snowden street are all rented at good prices.

—The citizens of Glen Ridge are hoping that this year their roads which they have graded at such expense will be gravelled by the town. Considering the increase of taxable property in that neighborhood, it does not seem an unreasonable desire.

—The Glen Ridge depot is about completed, the only remaining work to be done being on the outside on the track level. The grounds on Ridgewood avenue are to be tastefully laid out in walks and lawn and decorated with beds of flowers. It will be, when completed, the most convenient and attractive station on the road.

### Montclair.

The Township Committee met Tuesday evening and examined the accounts of the township officers for the year. A little routine legislation closing up the business of the year was acted upon and the committee adjourned sine die, provision being made, however, that if the water contract was ready to be signed before the township election that the Chairman have power to call a special meeting.

A pleasant and well-attended literary entertainment was given in the chapel of the Congregational Church, Tuesday evening. An essay upon "Some Features of Shakespeare's Comedies" was read by Dr. C. A. Marvin, and "A Winters Tale" was read, ten ladies and gentlemen taking the parts.

### Orange.

Waldo B. Tichenor has been confirmed as Postmaster. The new Postmaster is a son of the late Judge Stephen W. Tichenor, and is a life long resident of the city. He is credited with being a practical business man; and, generally speaking, his appointment is a satisfactory one to the patrons of the office. An important change is soon to be made at the Orange and East Orange offices—the introduction of carrier delivery system.

The last of Y. M. C. A. Health Talks was given last Saturday evening, in the Association Hall, by Dr. George Bayles, before a good-sized audience. His subject was "Physical Impulse Under Moral Restraint."

### Newark.

Sheriff Brown has been authorized to collect subscriptions in this city for the erection of a monument on the spot where Gen. Sedgewick fell at Spottsylvania. It will cost \$2,000.

At a recent meeting of the various Irish societies of Essex county it was decided to have the St. Patrick's Day parade in this city instead of Orange, and it is believed that it will be the largest demonstration ever made in honor of Ireland's patron saint in this country.

It is said that the recent sermons of Rev. Hugh Pentecost, in the Belleville Avenue Congregational Church, on the labor question, and his advocacy of Henry George's theories, have provoked considerable ill-feeling in the congregation, and that trouble is brewing. Rev. Mr. Pentecost, when questioned about the report, said: "There is nothing of the kind at all. The report is absolutely and utterly unfounded. The church is in profound peace. I know nothing about any person going to leave the church. You can contradict the rumor with perfect confidence."

A young man named James Dougherty was brought to St. Michael's Hospital, in this city, from Caldwell, suffering from injuries received from falling through an opening in the floor of a hay-loft on Monday afternoon last. His injuries, which are upon the head, will probably prove fatal.

### Amusement Notes.

Next week, Kiralfy's spectacular drama, "The Rat Catcher," will be the attraction at Miner's Newark Theatre. For the present, Mosty's comic piece "We, Us & Co." is drawing good houses and is giving the frequenters of the theatre a great deal of amusement. Miss Theresa Vaughn holds the affections of the theatre-goers with steadiness.

At the Lyceum Theatre, New York, on Monday, March 7th, an entirely new Society Drama, entitled "Walden-Lamar," will be presented, with Helen Dauvray and her Company, including the distinguished young actor, Mr. A. Salvini. The play will be mounted with the same liberality which has distinguished the productions at the beautiful Lyceum Theatre.

### Real Estate.

All parties wishing to sell or rent their property, will find it to their advantage, by sending particulars immediately, and securing a place on my register. Property registered free. Having leased an office, No. 157 Broadway, New York, I intend to make a specialty of Bloomfield and Glen Ridge properties.

### HOW TO INJURE YOUR TOWN.

Oppose improvement.  
Mistrust its public men.  
Run it down to strangers.  
Go to some other town to trade.  
Lengthen your face when a stranger speaks of locating in it.  
Do not invest a cent; lay your money out somewhere else.

Refuse to advertise in your village paper.

If a man wants to buy your property charge him two prices.

If he wants to buy anybody else's interfere and discourage him.

Be particular to discredit the motives of public spirited men.

Refuse to see the merit in any scheme that does not directly benefit you.

### HOW TO MAKE IT PROSPER.

Talk about it.  
Write about it.  
Beautifully the streets.  
Be friendly to everybody.  
Elect good men to all offices.  
Keep your sidewalks in good repair.  
Sell all you can and buy all you can at home.

If you are rich invest something, employ somebody.

Be courteous to strangers that come among you so that they go away with good impressions.

Always cheer on the men who go in for improvement.

Your portion of the cost will be nothing but what is just. Don't "kick" at any proposed improvement because it is not at your own door or for fear your taxes will be raised fifty cents.
